Hi Kurt-

I have reviewed and updated the draft Hawaii letter. Please note that I have a couple of comments in there that I would like for you to take a look at or be aware of. Since this document is going to remain in draft, will you send it to Lilian electronically after?

Hi Brittany,

Please see attached comments on the acceptance letter.

If ECRCO has strong reservations with any of CRFLO's suggestions, go ahead and set up a meeting so we can all discuss in person.

Best,

Hi Adam-

As a heads up, I have been informed by Lilian that she would like to get the draft letters to USDA this week. I understand that you met with folks last week to discuss this complaint. I wanted to check in with you to see if you think it would be a good idea to schedule a meeting with both of our offices. Let me know what you think and if so, who I should include on the invite from your office.

Hi Brittany,

I have a meeting today at 3:00 to talk about this case. I should have a response about next steps shortly thereafter.

Yesterday I just finished up a project with a pressing deadline. Sorry I haven't been able to turn my full attention toward this. It's also been hard to catch other CRFLO attorneys (who have also had a number of pressing deadlines recently).

Talk soon,
--Adam

P.S. I heard you got engaged. Congrats!

Hi Adam-

I received an email from Region 9 checking on status of the letters. Please let me know if you need any additional information from me or if you think it would be a good idea for me to set up a meeting with everyone to discuss the ADC issue.
